Title 18 § 2382

In this cause the United States District Court of Eastern Pennsylvania has so received the list of co-conspirators to Mass Murder those persons enjoined in the Mass Murders of September 11, 2001. The presidential administration including George W. Bush did so create a Co De Tah while over throwing the sovereignty of the United States with the willful destruction by explosives of the World Trade Center Buildings 1 & 2. This Treasoness act has been presented before the court while the Court has not responded by official acknowledgement.

## UNITED STATES GESTAPO

In this cause the United States Secret Service has gained unconstitutional authority while they murder steal committing Felony acts of Treason. Agent Edwin Donnelly has threatened the lives of the Movant with his family and children. Edwin Donnelly has threatened the theft of the Movant Danny O'Dell's Social Security Benefits which are being disputed in this cause. Edwin Donnelly has also sent persons to the property of the Movant to steal in the darkness of the night Danny O'Dell's personal motor vehicle. Evidence has been presented proving the treasoness acts Committed by Secret Service Personnel.

Edwin Donnelly continues to e-mail while calling by phone the Movant Danny O'Dell's home over while over again. Threatening intimidating while plotting and conspiring to do Danny O'Dell bodily harm, this is in violation of Texas State Penal Code 42.07.

These crimes against Danny O'Dell by members of that faction called United States Secret Service are minimal compared to the mass murders the Secret Service protected during the September 11, 2000 Coo De Tah; also the baby killings of the Federal Building in Okalahoma City; Including the distribution of Anthrax by United States Mail.

## FEDERAL JUDGES

It has been the standard of many United States Federal Judges to cover up the criminal conduct of Dick Cheney with his sidekick George W. Bush. What is worse is the inability of the average American Citizen to protect themselves from the Brutal Dictatorship of the United States Secret Service.
